## Discussion Questions:

- How are local, national and international governments, international organisations and stakeholders working together on implementing the 2030 Agenda, its SDG 11, New Urban Agenda, and other relevant global and regional commitments? What successful examples and best practices?
- What are the challenges in the current cooperative initiatives? (major publications, events?)
- How to overcome the challenges in the future?
- What are your key projects that demonstrate the implementation of SDG 11 and other urban related SDGs? Who are your partners on your relevant projects? Main milestones?
- What are major projects planned? Who are cooperative partners and what are key major events?

## 1:00PM - 3:00PM: Networking Lunch
