Gender-Sensitive Family Policies

Prof. Anne H. Gauthier
Gender-sensitive family policies
Governmental support for families

Social protection family benefits: trends in the EU-28

Public Expenditure - % of GDP

Source: OECD, 2018
1. When choice is forgotten

“Choice to combine (or not) work and family responsibilities”
2. When more is not better

“Long maternity and parental leave have negative impact”
3. When it is not easy

“It takes time to change gender norms”
4. When it is not visible

“Work discrimination because of pregnancy”
Gender-sensitive family policies
Thank you!
