Role in the society

Knowledge

Participation

Are older people good for anything?
Perceptions in Russia

	Population overall	18-30 y.o.	Over 60 y.o.
Participated in communal clean ups in their residential areas or city	41	40	38
Participated in residents' meetings	26	14	36
Voted in the elections	43	35	50
Participated in a set of actions to help people in need	9	9	6
Participated in public hearings	3	3	3
Submitted a written inquiry to authorities to solicit for somebody else's interest	3	3	4
Are ready to join a group of people to solve common problems	76	82	72
Volunteered	41	45	35
Donated to charity	57	56	54
Donated money to people in need via the Internet	7	8	4
Made public statements in the Internet	3	5	1

Older people contribute to society at the SAME rate

Communicate while doing things together
