Report from the Central Coordination Team

GGP Council of Partner meeting
Paris
23 October 2019
1. Update of the work done by the GGP

2. Update from Partners on fieldwork and fundraising

3. Priority: ESFRI 2021 Roadmap
GGP as research infrastructure (RI)

Governed and financed by a Consortium of 15 institutes (from 11 countries + UNECE)

Steering committee
- Director
- Members

Operational level
- Research infrastructure
GGP as distributed Research Infrastructure

- Harmonized data W3
  - Coming soon!
Nesstar Sessions per Month
Generations and Gender Survey - 2020

Belarus
- N = 9,994
- Aged 18-79
- Response rate 76%
- Released

Kazakhstan
- N = 14,840
- Aged 18-79
- Response rate 78%
- Completed – Expected release 2020

Moldova
- Aimed N – 10,000
- Aged 18-79
- Start 2020

More on Fieldwork in a bit
Harmonized Histories

22 Countries
26 Datasets
N = 290,873

Netherlands 2013 (released) – Onderzoeks Gezinsvorming
Canada 2006 (released) – General Social Survey
Canada 2011 (coming soon) – General Social Survey
Spain 2018 (expected 2020) – Encuesta de Fecundidad

More on Harmonized Histories in the poster session at the conference
Release New Contextual Database (CDB)

- Focus on core indicators at national level

**Demography**
- TFR, Maternal Mortality Ratio

**Economy**
- Gini coefficient, Human Development Index

**Gender**
- Female labor force participation, Gender Inequality Index

**Welfare and Education**
- Education expenditure, Enrolment ratio

- Obtained from international databases
- Indicators will be updated on a yearly basis

Previous CDB is still available via the new platform
Contextual Database – Web Sessions per Day

More on the CDB in the poster session at the conference
Four guiding principles to enhance the value of scientific data:

Findable, Accessible, Interoperable, Reusable

... also in the future!
Findable & Citable

- Wave 1 and 2 are archived at Dutch data archive (DANS)
  
  - Generations and Gender Programme (2019): *Generations and Gender Survey (GGS) - Wave 1*. DANS. https://doi.org/10.17026/dans-z5z-xn8g
  
  - Generations and Gender Programme (2019): *Generations and Gender Survey (GGS) - Wave 2*. DANS. https://doi.org/10.17026/dans-xm6-a262

- Access still via GGP website
