Agenda item 6a: Country reports
Vienna Council of Partners Meeting 2015
Generations and Gender Programme

Poland

- Wave 2 collected in 2014, 62% of Wave 1 respondents reinterviewed (12,419)

- Questions on: reproductive health, life satisfaction, migration, values and costs of children, religion and women’s attitudes towards work. Continued labour market biographies of respondents

- Data cleaning and harmonization in progress before submission to NIDI in 2016
Generations and Gender Programme

Czech Republic

- Wave 1 & 2 have been submitted and released
- Renewed interest in the GGS, especially amongst students
- Potential for data collection in 2019, lots of work and focus needed
Generations and Gender Programme

The Netherlands

- Wave 4 of the NKPS was collected in 2014
- CATI and CAWI used, retention of 64.5%
- Age and Martial Status effects on mode selection
- Released to the Public in June 2015

- The OG in 2013 was pre-harmonized with the GGS
- Far greater compliance than NKPS
- OG will be fielded again in 2018...
Canada

- Canadian GSS from 2011 to hopefully be integrated into Harmonized histories
- Awaiting approval to release ‘month of event’ variables
- Canadian GSS in 2017 has been further harmonized with the core GGS to increase comparability
Generations and Gender Programme

Australia

• Wave 3 was collected and is partially harmonized but change in staff has led to a break in the process

• HILDA included the GGS module in the 2015 wave which produce a wave 4.

• Need for harmonization resources
Generations and Gender Programme

Italy

- ISTAT provided support to the GGP ESFRI application

- The Italian Wave 2 was submitted to NIDI for integration and release (likely January-February 2016)

- A new round of Families and Social Subjects Survey in 2016
Sweden

• Wave 1 fieldwork completed in 2013

• Wave 1 released in June 2015, fastest ever harmonization

• Wave 2 registry wave to be submitted to NIDI in 2016/7

• Funding for CDB contribution secured, to be submitted to INED in 2016 (?)
Generations and Gender Programme

Turkey

• Translation in May 2015, Pretest and Interviewer training in July 2015, Test Study 2015
• Developed and Managed by The Ministry of Family and Social Policy, Turkish Statistical Institute, The Ministry of Development, UN Population fund in Turkey.
• Financed by The Ministry of Development
• Fieldwork by The Ministry of Family and Social Policy
• ...Informal discussion after the CoP meeting
