Almost there—
Planned Parenthood’s Race to the Finish Line

Latanya Mapp Frett
Vice President – Global, PPFA

Families, Sexual and Reproductive Health over the Life Course
Our work is not done
New Global Development Goals: A Cause for Optimism

A reproductive health target
Leave no one behind

360 degrees of care
Addressing the needs of all families

Creating the healthiest generation
Empowering

Where women succeed, families & communities prosper
Focusing on women and girls

Tapping into existing programs
Involving men

From pastors to “vulcanizers”
Looking Ahead: We Need Stronger Language

Sexual and reproductive health and rights at the center
Reinforcing Community Access

Thank you!
