

# Migration statistics and the 2030 Agenda for Sustainable Development

Nathan Menton

# 2030 Agenda (general)

- Millennium Development Goals (MDGs)
  - Developing countries agreed to report progress against 8 development goals 2000-2015
  - Many statistics or information needed for MDGs not available for reporting
  - **Did not include goals related to migration**
- 2030 Agenda for Sustainable Development
  - Adopted in September 2015 as a “plan of action for people, planet and prosperity”, seeking to “strengthen universal peace”.
  - Takes into account the lessons and the experience of the MDGs
  - As was the case for the MDGs, most likely not all requested statistics and related information will be available from the statistical community.
  - Contains 17 Sustainable Development Goals and 169 targets – **including several related to migration.**

# 2030 Agenda (general)

- Inter-agency and Expert Group on SDG indicators (IAEG-SDGs) and UN Statistical Commission (UNSC)
  - Developed an indicator framework and list of indicators for monitoring the goals and targets of the 2030 Agenda
  - UNSC agreed on the global SDG indicator list at its 47th session on 8-11 March 2016
  - *“a practical starting point with the proposed global indicator framework for the Goals and targets of the 2030 Agenda for Sustainable Development...subject to future technical refinement”*
  - List of indicators will be submitted for adoption to ECOSOC (in June 2016) and to UN General Assembly (in September 2016)
  - IAEG-SDGs to provide technical support for the implementation of the approved indicator and monitoring framework and regularly review methodological developments and capacity-building activities in statistical areas relevant to SDGs.

# 2030 Agenda – Relation to Migration

- Multidimensional reality of migration
- Highlights vulnerability of migrants, refugees
- Agenda integrates migration
  - 10 out of 169 targets include migration
  - Concrete measures (SDG 17)

# Migration in the 2030 Agenda for Sustainable Development

- Respect the human rights of all migrants, regardless of their migration status
- Take into account the vulnerabilities of migrants, refugees and internally displaced persons
- Recognize the contribution of migration for global sustainable development
- Address forced displacement and humanitarian crises
- Promote international cooperation
- Strengthen the resilience of host communities
  - Support the right of citizens to return to their country of origin

# Migration in Sustainable development goals and targets

- Strengthen and retain the health workforce in developing countries (3.c)

- Increase the number of scholarships for study abroad (4.b)

- Eradicate human trafficking (5.2, 8.7, 16.2)

- Protect labour rights of migrant workers (8.8)

# Role of Conference of European Statisticians (CES)

- June 2015 – work launched on a road map for the development of official statistics for monitoring SDGs
  - Living document – adapted frequently based on comments from CES and developments in other UN bodies
- October 2015 - Steering Group established by CES Bureau to provide guidance on the work on developing official statistics for SDGs under CES. Objectives:
  - to prepare a road map for developing official statistics for SDGs under CES which provides an implementation strategy for providing data on SDGs
  - to follow up on the implementation of the road map

# Role of Conference of European Statisticians (CES)

- April 2016 plenary session of CES - structure of the Road Map approved and further work recommended
  - assessing readiness of countries to report on SDG indicators
  - selecting regional indicators
  - clarifying the setup of reporting on SDG indicators
  - identifying needs for capacity building for SDG indicators
  - communicating and disseminating statistics for SDGs.
- Revised draft Road Map to be presented to the CES Bureau in October 2016
- First edition will be presented to the CES 2017 plenary session
