Background

After the adoption of the 2030 Agenda in September 2015 a number of Swedish governmental agencies came together in joint forces to work together to implement the 2030 Agenda. The forum called "DG Forum – Swedish government agencies in joint collaboration for the 2030 Agenda", comprises hitherto by more than 70 governmental agencies.

Objectives of the side event

The side event aims to share knowledge and expertise on the processes of strategic and practical collaboration at national level by governmental agencies on the implementation of the 2030 Agenda. The goal is to enhance knowledge and encourage further engagement for concrete change to fulfil the ambitions and goals for sustainable development.
