
FOURTH HIGH LEVEL MEETING ON TRANSPORT, HEALTH AND ENVIRONMENT

SIDE EVENT
“Youth is in Motion!”

Tuesday 15 April 2014

14:05 - 14:45

To mark the Fourth High Level Meeting on Transport, Health and Environment, the European Environment and Health Youth Coalition (EEHYC) has launched an on-line international photo and video competition addressing the theme of the meeting “City in motion: people first”. The competition has seen the submission of a total of 75 photos and 15 videos from 19 countries (link is <http://www.eehyc.org/#!/vote/c241v>)

The side event “Youth is in Motion” will consist of:

- **an exhibition**, where participants will get to view photographs and videos made by young people who participated in the EEHYC photo and video competition “City in motion: people first!”;
- a **table discussion**, where participants will be invited to an interactive discussion on areas of work in the Paris declaration that could particularly benefit from a Youth contribution, as well as on the challenges in working with young people in the implementation of Paris declaration
- **an update** on what EEHYC is doing to promote sustainable, environmentally and health friendly transport
- **the announcement** of the winners of the photo and video competition
