Strategic review of the IPoW
The process and the current draft IPoW 2018-21
Strategic review of the IPoW
The IPoW cycle and the review

- The ECE-FAO Integrated Programme of work is revised every 4 years
- The revision leads to changes to the IPoW, which feed into the new IPoW for the next 4 years
- Methodologies for the review can vary, this time they included a survey, a workshop, formal and informal consultations.
- Special involvement of Teams of Specialists
