

Wood Energy Workshop: Woody biomass – the fuel of choice for Serbia, Belgrade, Serbia

PROGRAMME

2 - 3 December 2008, Chamber of Commerce Building, Terazije 23, IInd floor, big conference room, Belgrade, Serbia

Time	Tuesday, 2 December 2008	Speaker
09.00	Registration	Chamber of Commerce Building, Terazije 23, II nd floor,
09.30	Opening and welcome	Ministry of Mining and Energy, Ministry of Science and Technological development, Ministry of Agriculture, Forestry and Water Management, UNECE, FAO, FoF, USAID,
09.55	Introduction: Workshop objectives, process and clarification	Secretariat, UNECE/FAO, FoF
	POLICY FRAMEWORK	Moderator: Branko Glavonjic
10.00	Serbian policy for renewable sources of energy	Dejan Stojadinovic, Ministry of Energy and Mining,
10.15	Forest Policy in Serbia and wood biomass	Sasa Orlovic, Ministry of Agricultural, Forestry and Water Management
10.30	Wood Energy policy and planing development	Miguel Trossero, FAO, Roma
10.45	Austrian Wood Energy Policy in context of EU framework	Aleksander Karner, Austrian Biomass Association
11.00	Wood Resource Balance- the UNECE Study	Florian Steierer, UNECE
11.15	Discussion and remaining questions	
11.30	Coffee break	
	MARKETS AND RESOURCES	Moderator: Douglas Clark
12.00	The European Market for wood biofuel, including trade in processed wood fuels	Christian Rakos, Pro Pellets, Austria
12.15	Short Rotation Coppice Production in Italy	Arturo Oradini, Italy
12.30	FAO records and activities related to wood energy in CEE	Hubert Inhaizer, FAO, Sub-Regional Office for CEEC, Budapest
12.45	Study of pellet/briquettes market in Western Balkans	Alen Bukvić, University of Hamburg
13.00	Development of wood biomass productions chains - Slovenian experiance	Nike Kranjc, Slovenian Forestry Institute
13.15	Wood energy market in Serbia-current situation and tendency	Branko Glavonjic, FoF, Belgrade

13.30	Discussion and remaining questions	
14.30	Lunch	
16.00- -19.00	Field trip (Biomass district heating plants in Belgrade)	
20.00	Drink reception – followed by gala dinner, hotel PARK, Njegoseva 2	
Time	Wednesday, 3 December 2008	
	CASE STUDIES AND FUTURE ACTIVITIES	Moderator: Ed. Pepke
09.15	Private forest owners and wood energy- Austrian's experiences	METSCHINA Christian Austrian Biomass Association, Austria
09.30	Economic effects of collecting biomass from sawmill sector – Bosnia and Herzegovina's experience	Panensa, Bosnia and Herzegovina
09.45	Use of pellets in heating plants in Belgrade-first experiences	Mr.Milija Bulatović, Belgrade heating plants
10.00	Wood Biomass utilization in Forestry and Wood processing industry in Croatia	Branko Sitas, Croatia forests, Zagreb
10.15	Equipment and instalations for wood biofuels-experiences of Serbian companies	Alfa plam, Vranje, Serbia Kirka suri, Belgrade, Serbia
10.40	<i>Discussion and remaining questions</i>	
11.00	Coffee break	
	PROMOTION	Moderator: Florian Steierer
11.30	Wood-based Energy: The United States Perspective	Richard Vlosky, Director Louisiana Forest Products Development Center and Professor, Louisiana State University
11.45	Promotion of wood biomass as fuel- experiences from Austria	METSCHINA Christian Austrian Biomass Association, Steiermark, Austria
12.00	Feasibility Study on utilization of wood residues in Serbia	Mladen Ilic, Energy Saving Group, Belgrade
12.15	Promotion of wood biomass as fuel- first experiences from Serbia (booklet, DVD)	Branko Glavonjic, FoF, Belgrade
12.45	Future activities in Serbia	Aleksandar Vasiljevic, Serbiaforests, Gojko Janjatovic, Vojvodinaforests
13.00	Measures for supporting the consumption of wood biomass as renewable and ecologically acceptable source of energy	Aleksandar Vasiljevic, Serbiaforests
13.15	<i>Discussion and remaining questions</i>	
13.30	Conclusions and recommendations	Branko Glavonjic, Ed.Pepke, Miguel Trossero
14.30	Lunch
