Working Party on Agricultural Quality Standards
Specialized Section on Standardization of Meat
Twenty-third session
Geneva, 29-30 September 2014
Item 5(c) of the provisional agenda
2014 Amendments to UNECE Standards

Bovine Meat – Carcasses and Cuts
Comments by the delegation of Poland

The following proposals and editorial comments were submitted by the delegation of Poland.

The comments refer to UNECE Standard for Bovine Meat – Carcasses and Cuts (ECE/TRADE/C/WP.7/GE.11/2014/5/ and ECE/TRADE/326/Rev.1 -Revised 2012 version).

1. page 24 (ECE/TRADE/C/WP.7/GE.11/2014/5) or page 26 (ECE/TRADE/326/Rev.1-Revised 2012 version)

Two elements *Ribs* No. 1597 and *Chuck roll-long cut, (bone-in)* No. 1622 come from *Pistola forequarter* to which No. 1050 was given. In the description of these two elements entered an invalid number in 1049.

2. page 36 (ECE/TRADE/C/WP.7/GE.11/2014/5) or page (42 ECE/TRADE/326/Rev.1-Revised 2012 version)

A photo of the element *Chuck eye* No 2264 does not fit the name and description of the item.

3. The delegation of Poland would like to discuss about the deletion of the code "0 - not specified" in part "3.4. Refrigeration" and ask for clarification about using "Alternative Description".
