

## ABOUT

To respond to the recommendation of the UNECE study on Regulatory and Procedural Barriers to Trade in Kyrgyzstan, UNECE has launched a project for “Strengthening the national capacity of trade-support institutions” in the country, with a focus on risk management in business and regulation, conformity assessment, and market surveillance. The project has developed a training guide on regulatory frameworks and market surveillance and is organizing a series of workshops and a train the trainers’ course.

## OBJECTIVES

- To increase the understanding of traders and government officials of international and national trade-related regulations, policies, trends and issues;
- To increase the capacity of national trade support institutions of Kyrgyzstan to provide training for traders and government officials.

## TARGET AUDIENCE

- Traders and government officials

## LANGUAGES

- English - Russian

## PARTNERS

- Ministry of Economy of the Kyrgyz Republic
- The Russian Federation (project donor)
