 Ministry of Commerce & Industry
 Govt. of India

UN/CEFACT Forum

The 9th United Nations Centre for Trade Facilitation and Electronic Business (UN/CEFACT) forum will take place in New Delhi, India from 2-6 October 2006. It will promote development and simplification of professional electronic data interchange, e-business and administrative processes in most of public and private sectors such as finance, health, business, environment, and so on. These objectives are achieved by:

- ▶ Analysing and understanding the key elements of international processes, procedures and transactions and working for the elimination of constraints;
- ▶ Developing methods to facilitate processes, procedures and transactions, including the relevant use of information technologies;
- ▶ Promoting both the use of these methods, and associated best practices, through channels such as government, industry and service associations;
- ▶ Coordinating its work with other international organizations such as the World Trade Organization (WTO), the World Customs Organization (WCO), the Organization for Economic Co-operation and Development (OECD), the United Nations Commission on International Trade Law (UNCITRAL) and the United Nations Conference on Trade and Development (UNCTAD);

This meeting is the opportunity for UN/CEFACT workgroups to gather in the same place, exchange their ideas and register all the accomplished work.

Around 300 experts from all around the world, will meet at India Habitat Centre, New Delhi, India for 5 days from 2-6 Oct 2006.

UNeDocs Workshop

UN/CEFACT has now adopted the United Nations electronic Trade Documents (UNeDocs) project as the basis for a new and global standard for electronic trade documents. UNeDocs integrates accepted international standards and best business practice with the requirements of Internet based technologies.

UNeDocs Workshop will take place in New Delhi, India on 3rd Oct. 2006. There after the technical sessions will be held from 4-6 Oct. 2006 along with respective working groups.

Around 200 experts from all around the world will meet at India Habitat Centre, New Delhi, India.
