1. **ADOPTION OF THE AGENDA**

   The informal *ad hoc* Expert Group (hereafter referred to as: ‘Expert Group’) may wish to adopt its agenda (TRANS/WP.30/2002/9).

2. **ELECTION OF OFFICERS**

   In accordance with the Commission’s rules of procedure and established practice, the Expert Group will have to elect a Chairperson for its session.

3. **INTRODUCTION AND BACKGROUND**

   At its ninety-sixth session the Working Party on Customs Questions affecting Transport (WP.30) had terminated its activities towards the preparation of harmonized pan-European Customs transit procedures for international rail transport by preparing two draft conventions, one for the covering the CIM Consignment note and one for the area covering the SMGS Consignment note.

   According to the decision of the Working Party the two draft conventions prepared for this purpose had been transmitted, via diplomatic channels, to the Contracting Parties to the COTIF Convention and to the SMGS Agreement respectively with a view to soliciting their views on the approach taken and on the Customs transit procedures proposed therein. The secretariat has to date received about 10 replies from Contracting Parties.

   On the basis of the comments received and in accordance with the decision of the Inland Transport Committee (ECE/TRANS/136) the Working Party, at its ninety-seventh session, had agreed not to continue with any further work on the draft Convention based on the COTIF consignment note. The secretariat had however been requested to convene an *ad hoc* informal expert group meeting of interested countries and international organizations to review once more the provisions of the draft convention based on the SMGS consignment note and to prepare a revised draft for consideration of the Working Party (TRANS/WP.30/198).
4. REVIEW OF THE PROVISIONS OF THE DRAFT CONVENTION ON INTERNATIONAL CUSTOMS TRANSIT PROCEDURES FOR THE CARRIAGE OF GOODS BY RAIL UNDER COVER OF THE SMGS CONSIGNMENT NOTE

The Expert Group should consider in detail the provisions of the draft Convention and its objectives (TRANS/2000/10) in order to be able to contribute to the finalization of the draft Convention. The complete text of the draft Convention is contained in document TRANS/2001/10. The comments received from Contracting States are contained in document TRANS/WP.30/2002/10.

5. CONCLUSION

Having reviewed and finalized the provisions of the draft Convention on Customs Rail Transit based on the SMGS consignment note, the Expert Group is invited to draw up a recommendation for the Working Party on how to proceed concerning this question.
