THE CONTRACTING PARTIES, BEING ALSO PARTIES TO THE CONVENTION ON ROAD TRAFFIC OPENED FOR SIGNATURE AT VIENNA ON 8 NOVEMBER 1968,

Article 1

1. The Contracting Parties, being also Parties to the Convention on Road Traffic opened for signature at Vienna on 8 November 1968, shall take appropriate measures to ensure that the traffic rules in force and technical requirements to be satisfied by wheeled vehicles registered in their territories conform in substance to the provisions of the annex to this Agreement.

2. Provided that they are in no way incompatible with the provisions of the annex to this Agreement,

   (a) the said rules need not reproduce such of those provisions as apply to situations which do not arise in the territories of the Contracting Parties in question;

   (b) the said rules may include provisions not contained in the annex.

3. The provisions of this article shall not require Contracting Parties to prescribe penalties for any violation of such of the provisions of the annex as are reproduced in their traffic rules.

Article 2

1. This Agreement shall be open until 31 December 1972* for signature by States which are signatories to the Convention on Road Traffic opened for signature at Vienna on 8 November 1968, or have acceded thereto, and are either members of the United Nations Economic Commission for Europe or have been admitted to the Commission in a consultative capacity in conformity with paragraph 8 of the terms of reference of the Commission.

2. This Agreement shall be subject to ratification after the State concerned has ratified the Convention on Road Traffic opened for signature at Vienna on 8 November 1968, or has acceded thereto. The instruments of ratification shall be deposited with the Secretary-General of the United Nations.

2. Any State which has made a declaration under paragraph 1 of this article may at any time thereafter declare by notification addressed to the Secretary-General that the Agreement shall cease to be applicable to the territory named in the notification and the Agreement shall cease to be applicable to such territory one year from the date of receipt by the Secretary-General of the notification.

2. For each State ratifying, or acceding to, this Agreement after the deposit of the tenth instrument of ratification or accession, the Agreement shall enter into force twelve months after the date of deposit by such State of its instrument of ratification or accession.

3. If the date of entry into force applicable in pursuance of paragraphs 1 and 2 of this article precedes that resulting from the application of Article 47 of the Convention on Road Traffic opened for signature at Vienna on 8 November 1968, this Agreement shall enter into force within the meaning of paragraph 1 of this article on the later of those two dates.

Article 5

Upon its entry into force, this Agreement shall terminate and replace, in relations between the Contracting Parties, the provisions concerning road traffic contained in the European Agreement supplementing the Convention on Road Traffic and the Protocol on Road Signs and Signals of 1949 signed at Geneva on 16 September 1950 and the European Agreement on the Application of Article 23 of the 1949 Convention on Road Traffic concerning the Dimensions and Mass of Vehicles permitted to travel on certain roads of the Contracting Parties, signed at Geneva on 16 September 1950.

Article 6

1. After this Agreement has been in force for twelve months, any Contracting Party may propose one or more amendments to the Agreement. The text of any proposed amendment, accompanied by an explanatory memorandum, shall be transmitted to the Secretary-General, who shall communicate it to all Contracting Parties. The Contracting Parties shall have the opportunity of informing him within a period of twelve months following the date of its circulation whether they: (a) accept the amendment; or (b) reject the amendment; or (c) wish that a conference be convened to consider the amendment. The Secretary-General shall also transmit the text of the proposed amendment to the other States referred to in article 2 of this Agreement.
2. (a) Any proposed amendment communicated in accordance with paragraph 1 of this article shall be deemed to be accepted if within the period of twelve months referred to in the preceding paragraph less than one third of the Contracting Parties inform the Secretary-General that they either reject the amendment or wish that a conference be convened to consider it. The Secretary-General shall notify all Contracting Parties of each acceptance or rejection of any proposed amendment and of requests that a conference be convened. If the total number of such rejections and requests received during the specified period of twelve months is less than one third of the total number of Contracting Parties the Secretary-General shall notify all Contracting Parties that the amendment will enter into force six months after the expiry of the period of twelve months referred to in paragraph 1 of this article for all Contracting Parties except those which, during the period specified, have rejected the amendment or requested the convening of a conference to consider it.

(b) Any Contracting Party which, during the said period of twelve months, has rejected a proposed amendment or requested the convening of a conference to consider it may at any time after the end of such period notify the Secretary-General that it accepts the amendment, and the Secretary-General shall communicate such notification to all the other Contracting Parties. The amendment shall enter into force, with respect to the Contracting Party which has notified its acceptance, six months after the date on which the Secretary-General received the notification.

3. If a proposed amendment has not been accepted in accordance with paragraph 2 of this article and if within the period of twelve months specified in paragraph 1 of this article less than half of the total number of the Contracting Parties inform the Secretary-General that they reject the proposed amendment and if at least one third of the total number of Contracting Parties, but not less than five, inform him that they accept it or wish a conference to be convened to consider it, the Secretary-General shall convene a conference for the purpose of considering the proposed amendment or any other proposal which may be submitted to him in accordance with paragraph 4 of this article.

4. If a conference is convened in accordance with paragraph 3 of this article, the Secretary-General shall invite to it all the Contracting Parties and the other States referred to in article 2 of this Agreement. He shall request all States invited to the Conference to submit to him, at least six months before its opening date, any proposals which they may wish the Conference to consider in addition to the proposed amendment and shall communicate such proposals, at least three months before the opening date of the Conference, to all States invited to the Conference.

The amendment shall enter into force, with respect to the Contracting Party which has notified its acceptance, six months after receipt by the Secretary-General of the notification or at the end of the said period of twelve months whichever is later.
6. If the proposed amendment is not deemed to be accepted pursuant to paragraph 2 of this article and if the conditions prescribed by paragraph 3 of this article for convening a conference are not fulfilled, the proposed amendment shall be deemed to be rejected.

7. Independently of the amendment procedure prescribed in paragraphs 1-6 of this article, the annex to this Agreement may be amended by agreement between the competent administrations of all Contracting Parties. If the administration of a Contracting Party states that its national law obliges it to subordinate its agreement to the grant of a specific authorization or to the approval of a legislative body, the competent administration of the Contracting Party in question shall be considered to have consented to the amendment to the annex only at such time as it notifies the Secretary-General that it has obtained the required authorization or approval. The agreement between the competent administrations may provide that, during a transitional period, the former provisions of the annex shall remain in force, in whole or in part, simultaneously with the new provisions. The Secretary-General shall appoint the date of entry into force of the new provisions.

8. Each State shall, at the time of signing, ratifying, or acceding to, this Agreement, inform the Secretary-General of the name and address of its administration competent in the matter of agreement as contemplated in paragraph 7 of this article.

The denunciation shall take effect one year after the date of receipt by the Secretary-General of such notification. Any Contracting Party which ceases to be a Party to the Convention on Road Traffic opened for signature at Vienna on 8 November 1968 shall on the same date cease to be a Party to this Agreement.

Article 8

This Agreement shall cease to be in force if the number of Contracting Parties is less than five for any period of twelve consecutive months, or at such time as the Convention on Road Traffic opened for signature at Vienna on 8 November 1968 ceases to be in force.

Article 9

1. Any dispute between two or more Contracting Parties which relates to the interpretation or application of this Agreement and which the Parties in dispute are unable to settle by negotiation or other means of settlement shall be referred to arbitration if any of the Contracting Parties in dispute so requests, and shall, to that end, be submitted to one or more arbitrators selected by mutual agreement between the Parties in dispute. If the Parties in dispute fail to agree on the choice of an arbitrator or arbitrators within three months after the request for arbitration, any of those Parties may request the Secretary-General of the United Nations to appoint a single arbitrator to whom the dispute shall be submitted for decision.

2. The award of the arbitrator or arbitrators appointed in accordance with paragraph 1 of this article shall be binding upon the Contracting Parties in dispute.

2. Reservations to this Agreement, other than the reservation provided for in paragraph 1 of this article, shall be permitted on condition that they are formulated in writing and, if formulated before the deposit of the instrument of ratification or accession, are confirmed in that instrument.

3. Any State shall, at the time of depositing its instrument of ratification of this Agreement or of accession thereto, notify the Secretary-General in writing to what extent any reservation made by it to the Convention on Road Traffic opened for signature at Vienna on 8 November 1968 apply to this Agreement. Any reservations to the Convention on Road Traffic which have not been included in the notification made at the time of depositing the instrument of ratification of this Agreement or of accession thereto shall be deemed to be inapplicable to this Agreement.

5. Any State which has made a declaration, a reservation or a notification under this article may withdraw it at any time by notification addressed to the Secretary-General.

6. Any reservation made in accordance with paragraph 2 or notified in accordance with paragraph 3 of this article:

   (a) modifies, for the Contracting Party which has made or notified the reservation, the provisions of the Agreement to which the reservation relates, to the extent of the reservation;

   (b) modifies those provisions to the same extent for the other Contracting Parties in their relations with the Contracting Party which made or notified the reservation.
