Dear Sir or Madam,

owing to little support of Multilateral Agreement M227 and based on the decision of the Sub-Committee of Experts on the Transport of Dangerous Goods, taken at the last session concerning used health care products, Germany has decided to revoke M227 and send you a revised version as a new Multilateral Agreement M232.

For your information please find the letter to the ADR Contracting Parties and the proposed Agreement.

Yours sincerely,

For the Ministry

Michaela Pritzer

Enclosure: 3
