

## European Roads 6, 20 and 22

On the European Road 20 between the Vintrie junction and the national border with Denmark (**the Öresund Connection**) the transport of dangerous goods in vehicles that are required to be plated, is only permitted between 23.00 and 06.00 (for arrival prior to 23.00 vehicles are to use the parking place listed below) The transport of explosives of risk classes 1.1 and 1.5 (ADR/ADR-S) is only permitted in quantities up to 1000 kg per transport unit.

Parking places for breaks and sleeping are at Bjurögatan, on the north side by Ljusterögatan (via the turn off at the Sege junction to the Spillepengen junction – Spillepengstatan – Bjurögatan).
