SUBJECT: CHAPTER 1.9 ADR – ADDITIONAL RESTRICTIONS ON THE CARRIAGE OF DANGEROUS GOODS (NOTIFICATION ACCORDING TO 1.9. 4)

According to the Agreement between the Ministry for Transport of the Republic of Slovenia and Federal Minister for transport, technology and innovation of the Republic of Austria concerning the transport of dangerous goods through the Karavnake road tunnel (Karawankenstraßentunnel), restrictions are imposed for the carriage of dangerous through the above mentioned tunnel. The restrictions do not apply for carriage under 1.1.3.6 ADR.

1. The transport unit shall be fitted with at least one amber warning lamp. That lamp shall be switched on 50 m before the toll station and remain in operation throughout the route concerned.
2. The drivers have to observe a minimum distance of 150 m to the vehicle in front.
3. Transport units which are subject to marking with orange-coloured plates whose hazard identification number
 - has "2" as first figure (f. i. 20 or 23) or
 - has doubling of figures "3", "4", "5", "6" or "8" (f. i. 33 or 44) or
 - is prefixed by the letter "X"shall be accompanied with one escort vehicle. During the escort, the escort vehicle must operate an amber warning light as well.

On Slovenian roads there are no other additional national restrictions according to section 1.9.3 a) and/or d) concerning the transport of dangerous goods only.

Sincerely Yours,

Miha Molan
STATE SECRETARY
