The Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations 2009 (as amended)

Notice of Recognition

Notice Number 5 (Revision 2)

As permitted by regulation 26 of The Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations 2009 (as amended).

The following technical code:

Reference	Title
AMT03	Transportable gas cylinders – refillable welded steel cylinders containing adsorbent materials for sub-atmospheric gas storage and delivery (excluding acetylene)

is recognised in accordance with the provisions of Chapters 6.2.5 of the Regulations concerning the Carriage of Dangerous Goods by Rail (RID) and the European Agreement Concerning the International Carriage of Dangerous Goods by Road (ADR).

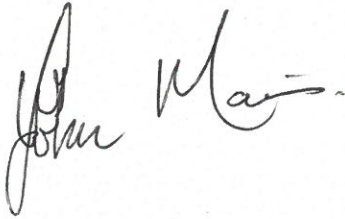

Copies of this technical code are available from the following website:

<http://www.atmi.com/documents/ATMI-HSE-Approved-Technical-Code.pdf>

This technical code shall not be used for the construction of new cylinders after 31 August 2015, but may continue in use for the purpose of periodic inspection and testing of such cylinders.

Duration

This notice shall come into force on 18 June 2015 and shall remain in force until revised or withdrawn.

A handwritten signature in black ink, appearing to read 'John Mairs', written in a cursive style.**John Mairs**

Department for Transport, who has been duly authorised to sign in that behalf.
