UN Recommendations and the Model Regulations

Transmitted by the expert from Argentina

1.1. Since the Committee of Expert decided to transform the UN Recommendations in a Model Regulations some time have passed. And nowadays we have the 11th edition with the title Recommendations on the TRANSPORT OF DANGEROUS GOODS Model Regulations.

1.2. We think that Recommendations and Regulations are contradictory; regulations are mandatory.

Proposal: change the titles as follows:

UN MODEL REGULATION FOR THE TRANSPORT OF DANGEROUS GOODS

UN Model Regulations MANUAL OF TEST AND CRITERIA

1.3. In the Model Regulations, page 2, point 7, delete "recommended" in the sentence "The objective of the recommended definitions.."

1.4. In point 8. Delete "The Recommendations ..." and replace by "The Model Regulations...", and idem in the last paragraph, page 11.
