\*/ This refers to the Socialist Federal Republic of Yugoslavia which became Contracting Party to ADR on 28 May 1971. The Federal Republic of Yugoslavia became a Member State of the United Nations on 1 November 2000 (General Assembly resolution 55/12). However, it cannot be considered as a Contracting Party to the ADR as long as it has not deposited an instrument of succession or accession to this Agreement with the Secretary-General of the United Nations.
