

Modifications to document TRANS/WP.29/343/Rev.10

Transmitted by the representative of Turkey

The information below completes the designation of Administrative Department and Technical Service responsibilities for ECE Regulations applied by Turkey. In case of some Regulations the date of application is not mentioned, meaning that for these Regulations the internal procedures have been completed, and the respective notifications would soon be sent to New York. An additional Technical Service has been designated for Agricultural and Forestry Tractors (37/D), and Istanbul Technical University (E37/C) has to be deleted as Technical Service for some Regulations.
