World Forum for Harmonization of Vehicle Regulations (WP.29)

Working Party on Lighting and Light-Signalling (GRE)
(7-11 April 2003)

PROVISIONAL ANNOTATED AGENDA FOR THE FIFTIETH SESSION 1/ 2/ 3/

to be held at the Palais des Nations, Geneva,
from Monday, 7 April 2003, 09.30h,
to Friday, 11 April 2003, 12.30h

1/ The fiftieth session was initially scheduled to be held from 8 to 11 April 2003. However, during its last session (TRANS/WP.29/GRE/49, paras. 129 and 131), GRE decided to start the session on Monday, 7 April 2003 with the informal meeting on AFS, without interpretation. This modification to the agenda was endorsed by WP.29 at its one-hundred-and-twenty-eighth session in November 2002 (TRANS/WP.29/885, paras. 27 and 56). Full interpretation will only be provided from Tuesday afternoon to Friday, but not on Monday and Tuesday morning.

2/ Accreditation procedures have been introduced for all delegates attending meetings held at the Palais des Nations. Therefore, delegates are requested to fill-in one of the attached registration forms (also available from the Internet web site of the UNECE Transport Division) and to transmit the duly filled-in form at the latest two weeks before the session to the UNECE Transport Division, either by fax (+41-22-91-70039) or by e-mail (nelly.enonler@unece.org or romain.hubert@unece.org). In Geneva, prior to the session, delegates are requested to present themselves at the Pass and Identification Unit of the UNOG Security and Safety Section, located at Villa Les Feuillantines, 13 Avenue de la Paix, for issuance of an identification badge. In case of difficulties, phone the UNECE secretariat (91-71112 or 91-72402).

Note: This document is distributed to the Experts on Lighting and Light-Signalling only.

3/ As part of the secretariat's efforts to reduce expenditure, all the official documents distributed prior to the session by mail and/or placed on the UNECE website, will not be available in the conference room for distribution to session participants. Delegates are kindly requested to bring their copies of documents to the meeting. Working documents listed in the agenda are also available via the INTERNET: <http://www.unece.org/trans/main/welcwp29.htm>
