

**PROPOSAL FOR DRAFT AMENDMENT TO
GLOBAL TECHNICAL REGULATION 1
(Door Locks and Door Retention Components)**

Transmitted by the expert from the United States of America

A. PROPOSAL

Annex 1, Figure 1-4, amend to show:

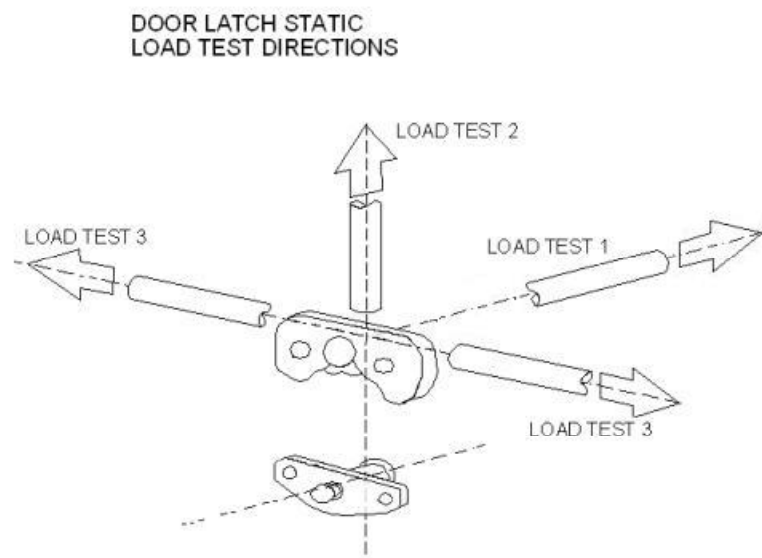

Figure 1-4 – Door Static

B. JUSTIFICATION

Per Informal Document No. GRSP-36-5 submitted by OICA, the arrow of Load Test 1 has been reversed to correctly portray the latch system in tension.
