(Seventy-eight session, agenda item 6,
Geneva, 9-13 May 2005)

PROPOSALS FOR AMENDMENTS TO ANNEXES A AND B OF ADR

Paragraph 7.5.1

Transmitted by the Government of Belgium

Some editorial changes could improve the text of section 7.5.1 that has been proposed in document TRANS/WP.15/2005/1. It is therefore replaced with what follows :

“7.5.1 General provisions concerning loading, unloading and handling

NOTE: The handling of containers is considered as loading or unloading within the meaning of this section.

7.5.1.1 The vehicle and its driver, **and – if applicable – the large container or tank-container** shall comply with the regulatory provisions (especially those concerning safety, **security**, cleanliness and satisfactory operation of the equipment used in loading and unloading) upon arrival at the loading and unloading sites (**including container terminals**).

7.5.1.2 The loading shall not be carried out if :

- an examination of the documents, and
- a visual inspection of the vehicle and **its equipment, and – if applicable – of the large container or tank-container and its equipment** show that the vehicle, the driver, the **large container, the tank-container and/or the equipment** do not comply with the regulatory provisions.

7.5.1.3 [Unchanged].

7.5.1.4 [Unchanged].
