EUROPEAN AGREEMENT ON MAIN INTERNATIONAL RAILWAY LINES (AGC)

Updated version of Annex I of AGC

Addendum

Situation regarding the application of the AGC

Transmitted by the Government of Serbia *

In June 2006 after the referendum in Montenegro, the Serbian Parliament adopted the Decision on the obligation of Serbian State bodies in carrying out Serbia's jurisdiction as a successor of the State Union Serbia-Montenegro.

The Serbian Parliament also confirmed that Serbia has become heir of the State Union and has fully inherited its international legal subjectivity and international documents, consequently the Republic of Serbia is a Contracting Party of the AGC Agreement.

* The UNECE Transport Division has submitted the present document after the official document deadline due to resource constraints.
