**ECONOMIC COMMISSION FOR EUROPE**

**INLAND TRANSPORT COMMITTEE**

Working Party on the Transport of Dangerous Goods

Eighty-third session  
Geneva, 5-9 November 2007  
Agenda item 5

**PROPOSALS FOR AMENDMENTS TO ANNEXES A AND B OF ADR**

Comments on document ECE/TRANS/WP.15/2007/23 from the International Federation of Freight  
Forwarder's Associations (FIATA)

Transmitted by the Government of Sweden

**Introduction**

The government of Sweden agrees with the principle in FIATA's proposal, that the requirements concerning special training for carriage of substances and articles belonging to Division 1.4S are inconsistent in relation to the exemptions in 1.1.3.6.

However, according to the decision taken at the Joint meeting in September, the Table in 1.10.5 will be revised to include some UN numbers in Division 1.4S (UN Nos. 0366, 0441, 0455, 0456 and 0500). When these UN numbers are carried as part of a mixed load, exceeding the quantities in 1.1.3.6, the requirements in Chapter 1.10 will apply. Therefore, it would seem contradictory to delete S1 for these five UN numbers,

**Proposal:**

In Section 3.2.1, Table A, Column 19 in ADR:

Delete special provision "S1" for all entries of Class 1, classification code 1.4S, except for UN Nos. 0366, 0441, 0455, 0456 and 0500.
