

**PROPOSAL FOR A CORRIGENDUM TO ECE/TRANS/WP.29/GRRF/60**

(Report of the 60<sup>th</sup> GRRF session)

**A. PROPOSAL**

Annex 2, paragraph 12.2.4., amend to read:

"12.2.4. ~~For vehicles of category M1,~~ Until 48 months after the date of entry into force of the 10 series of amendments to this Regulation, Contracting Parties applying this Regulation may continue to grant ECE approvals to Supplement 3 to the 10 series of amendments to this Regulation."

**B. JUSTIFICATION**

The Contracting Parties decided at the 60th GRRF session that amendments to Regulation No. 13 which have been adopted during that session of GRRF shall be presented to WP.29 of March 2007 into one unique Supplement (Supplement 4 to the 10 series of amendments).

The intention was that especially the deletion of category M1 and the modified PTI provisions (interdiction of removal of the wheels for all categories) have a sufficient lead-in time which permits the vehicle manufacturers to adapt their vehicle design.

This is not correctly reflected in Annex 2 of the report and should be rectified.
