

Regulation No. 13-H (Passenger Car Braking)

Proposal on the transitional provisions for amendments to Regulation No. 13-H
regarding Electronic Stability Control (ESC)

Proposal

In ECE/TRANS/WP.29/2008/81, paragraphs 12.2. and 12.3., amend to read:

- "12.2. As from 1 November 2011, Contracting Parties applying this Regulation may refuse to grant national or regional type approval if the vehicle type does not meet the requirements of this Regulation as amended by Supplement 7 to this Regulation and is not fitted with an Electronic Stability Control System meeting the requirements of Annex 9 to this Regulation.
- 12.3. As from 1 November 2013, Contracting Parties applying this Regulation may refuse first national registration of a vehicle which does not meet the requirements of this Regulation as amended by Supplement 7 and is not fitted with an Electronic Stability Control System meeting the requirements of Annex 9 to this Regulation."
