

ECONOMIC COMMISSION FOR EUROPE

INLAND TRANSPORT COMMITTEE

Working Party on the Transport of Dangerous Goods

Eighty-sixth session

Geneva, 5-8 May 2009

Item 8 of the provisional agenda

TUNNELS

Tunnel restriction code in transport document
Comments in response to ECE/TRANS/WP.15/2009/5 from Austria

Transmitted by the Government of Sweden

Background

The Government of Sweden supports the principle in the proposal from Austria, that the tunnel restriction code should not be required for carriage in accordance with the requirements in 1.1.3.6.

However, all exemptions that are related to carriage in accordance with 1.1.3.6 are summarized in 1.1.3.6.2. Therefore, it seems appropriate to add the proposed exemption to the list in 1.1.3.6.2 instead of amending the text in 5.4.1.1.1 (k).

Proposal

In sub-section 1.1.3.6.2, insert a new indent to read as follows:

“- Sub-section 5.4.1.1.1 (k)”
