

INF. paper from Finland

Proposal 1.

8.2.2.8.4

The certificate shall be prepared in the language (-s) or one of the languages of the country issuing it. If that language is not English, French or German, the title of the certificate in the first and the second page shall also be drawn up in English, French or German. The titles /content of every numbered item shall not be written in the certificate.

Reasoning: There would be only numbers in the certificate. The explanations of these numbers would be in the ADR itself.

Proposal 2.

Add a new item 8 in the first page as following;

8. Issuing body

The items 8-10 will come 9-10.
