**INDIA'S COMMENTS ON NEW PROPOSAL FOR REGULATION No. 53
VIDE ECE/TRANS/WP.29/GRE/2009/5**

India has the following comments on the amendments suggested by experts from Japan on the document ECE/TRANS/WP.29/GRE/2009/5

India feels that, front position lamp with amber colour may be included as an optional. Permission to use one or two white colour front position lamp may be retained.

Justification:

Improvement in conspicuity of motorcycle has already been carried out by incorporating automatic headlamp ON (AHO) and proposal for optional fitment of DRL.

By providing option of amber colour front position lamp, the requirement of additional conspicuity needed by certain countries can be addressed.
