(58th GRPE, 9-12 June 2009,

agenda item 4)

Proposal of amendment to the document ECE/TRANS/WP.29/GRPE/2009/15

***ORIGINAL text in ECE/TRANS/WP.29/GRPE/2009/15, under the Table 5-1**

Note: the figures in this table will be introduced with the European Union Euro-4 proposal by the European Commission in October 2009. They cannot be considered final until after they are approved by the European Council and European Parliament.

***PROPOSAL**

The note under the Table 5-1 amend to read as follows;

Note:

The figures in this table should be introduced when they are approved as appropriate among the Contracting Parties to the 1998 Agreement with sufficient technical consideration.

JUSTIFICATION:

The figures should not be introduced without sufficient discussion in UN.

Unconfirmed Euro-4 should not be premised as the values for the principal requirements without questions asked, because it is just a matter for one of the Contracting Parties.
