

Proposal for draft amendments to ECE Regulations No. 64

A. Proposal

Amend paragraph 5.1.4.1.1. to read:

“5.1.4.1.1. An 120 km/h maximum speed warning

The requirements of this paragraph shall only apply to a type 4 temporary-use spare unit as defined in paragraph 2.10.4. to be supplied for use on an M₁ **and N1** category vehicle.”

B. Justification

This is a consequence of the amendment proposed in ECE/TRANS/WP.29/GRRF/2011/10 to extend the scope to include N1 category vehicles to use a tyre 4 temporary use spare wheel and tyre.
