IRU Caravans concluded shocking results

The Lisbon-Vladivostok Caravan

The Beijing-Berlin-Brussels Caravan

Black Sea Highway Caravan

IRU-ECO Silk Road Truck Caravan
IRU Caravans demonstrated that adequate roads exist, but that there is little traffic!!
…until the trucks reached border crossings!!
IRU New Eurasian Land Transport Initiative (NELTI)

- From September 2008 to date
- Monitoring of over 200,000 border crossings

57% of transport time lost at border crossings!
38% of transport costs due to unofficial levies
Any penalty on road transport is an even greater penalty on the economy as a whole!

* Includes lost opportunities
How can we change this view and let road transport drive trade, progress and prosperity?
To bring them hope!
Implement key UN Trade Facilitation Instruments to allow countries to be land-linked!
Securing and facilitating trade and international road transport

Transports Internationaux Routiers

Managed by the IRU since 1949
Reduce border waiting times, **facilitate** trade, increase risk management efficiency, **improve** Customs controls, **secure** trade and transport!
We want to see this…
....instead of this by....
Working together for a better future
