Liikenteen turvallisuusvirasto

A summary of best practices including education

Kirsi Pajunen

*Vastuullinen liikenne.
Yhteinen asia.*

Best practices

- Different practices are the best in different countries
- Different practices based on the location of the LX (urban/rural...)
- Information on the best practices that have been evaluated
 - Summaries of the research reports
 - Other evaluated information in a summary form
 - Around top 5 safety improvement measures from one country
 - Taking into the account the work of the human factors group and the priorities recognised in there

Best practices

- Education
 - Evaluated campaigns
 - Training Problems found e.g. in accident investigation (road driver training, engine driver training, maintenance people...)

Photo: British Transport Police

Education: Operation lifesaver
