Inland Transport Committee**6 January 2015****Working Party on the Transport of Dangerous Goods****Joint Meeting of Experts on the Regulations annexed to the European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways (ADN)****Twenty-sixth session**

Geneva, 27-30 January 2015

Agenda item 4 (d)

Implementation of ADN:**Training of experts**

Summary document for the catalogue of questions "Chemicals"

Transmitted by the Central Commission for the Navigation of the Rhine

1. The informal working group on the training of experts was mandated by the ADN Safety Committee to revise and adapt the catalogue of questions to the 2015 edition of ADN. At the end of this work, a catalogue of questions in three parts "General", "Gas" and "Chemicals" has been prepared, which can be found respectively in documents CCNR-ZKR/ADN/WP.15/AC.2/2015/7, CCNR-ZKR/ADN/WP.15/AC.2/2015/6 and CCNR-ZKR/ADN/WP.15/AC.2/2015/5.
2. In order to document these changes, the informal working group provides in the annex to the present document a summary of the status of work on the catalogue of questions.
3. These summaries present the correct response to each question, the reference in the ADN (source) and the date that the question was deleted or added.
4. The informal working group on the training of experts
 - (a) Invites the ADN Safety Committee to take note of the summaries concerning the status of work on the catalogue of questions,
 - (b) Recommends that they be published on the websites of the UNECE and CCNR, and
 - (c) Proposes that the ADN Safety Committee mandates the informal working group to regularly update these summaries.
