

## **Proposal for amendments to Supplement 2 to the 03 series of amendments to Regulation No. 78 (Braking of category L vehicles)**

### **I. Proposal**

*Annex 3, paragraph 9.1., amend to read:*

"9.1. General:

- (a) The tests are ~~only~~ applicable to the ABS fitted on vehicle categories ~~L<sub>1</sub> and L<sub>3</sub>~~ **L<sub>1</sub>, L<sub>2</sub>, L<sub>3</sub>, L<sub>4</sub> and L<sub>5</sub>**;
- (b) ..."

*Annex 3, the appendix, paragraph 1.2., amend to read:*

"1.2. Vehicle condition:

- (a) The test is applicable to vehicle categories ~~L<sub>1</sub> and L<sub>3</sub>~~ **L<sub>1</sub>, L<sub>2</sub>, L<sub>3</sub>, L<sub>4</sub> and L<sub>5</sub>**.
- (b) ..."

### **II. Justification**

1. The proposal is aimed to align the level of safety to that currently applicable in the European Union in terms of that offered by ABS on vehicles other than two-wheelers.
  2. ABS requirements for tricycles already existed in Directive 93/14/EEC and are currently lacking from UN regulation No. 78
  3. Although the requirements in the regulation are geared towards two-wheeled vehicles, they can and should also be applied to tricycles as has been the practise in the EU over the years.
