Annotations to the agenda

1. Adoption of the agenda

The Administrative Committee may wish to consider and adopt the agenda for its seventeenth session drawn up by the secretariat and issued under the symbol ECE/ADN/37 and Add.1.

2. Status of the European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways (ADN)

Eighteen States are Contracting Parties to ADN: Austria, Belgium, Bulgaria, Croatia, Czech Republic, France, Germany, Hungary, Luxembourg, Netherlands, Poland, Republic of Moldova, Romania, Russian Federation, Serbia, Slovakia, Switzerland and Ukraine.

3. Matters relating to the implementation of ADN:

(a) Classification societies;

No new information on the recognition of classification societies has been received from Contracting Parties since the last session of the Administrative Committee.

(b) Special authorizations, derogations and equivalents;

¹ Distributed in German by the Central Commission for the Navigation of the Rhine under the symbol CCNR/ZKR/ADN/37/Add.1.

The Administrative Committee may wish to consider the request by Belgium for the issuance of a temporary derogation regarding the use of a dry aerosol generating fire extinguishing system (Fire Pro) for the "DONAU" (06105358) (Document ECE/TRANS/WP.15/AC.2/2016/48 issued for the 29th session of the Safety Committee).

Any proposals for special authorizations or derogations received by the secretariat after the issuance of the present annotated agenda will be transmitted to the Administrative Committee in informal documents.

The secretariat will make available any information received from Contracting Parties.

- (d) Other matters.

The Administrative Committee may wish to consider any other matters related to the implementation of the ADN.

4. Work of the Safety Committee

The Administrative Committee is expected to consider the work of the Safety Committee on its twenty-ninth session (22 to 26 August 2016) on the basis of its draft report and to adopt all proposed corrections and additions to the list of proposed amendments to the Regulations annexed to ADN for entry into force on 1 January 2017.

It should be noted that the provisions of Article 20 (5) (a) of ADN allow for a quicker entry into force of amendments in cases where similar amendments have been adopted for other international agreements governing the carriage of dangerous goods. This means that additional proposed amendments have to be communicated to Contracting Parties no later than 1 September 2016 to ensure their entry into force on 1 January 2017, i.e. one month after acceptance by Contracting Parties.

Any proposed corrections to the proposed amendments in ECE/ADN/36 would have to be communicated to Contracting Parties on 1 October 2016 (date of acceptance of the amendments) in accordance with the usual procedure for corrections so that they can become effective at the latest by 1 January 2017.

5. Programme of work and calendar of meetings

The eighteenth session of the ADN Administrative Committee is scheduled to take place on 27 January 2017. The deadline for the submission of documents for that meeting is 28 October 2016.
