

**Multilateral Agreement ADN/M 017**  
**under section 1.5.1 of the Regulations annexed to ADN**  
**on unmarked flame arresters**

1. By derogation from section 1.2.1 (Flame arrester), subsection 3.2.3.1 Column (16) and Chapter 9.3 of the Regulations annexed to ADN, unmarked flame arresters may continue to be used until 31 December 2016. In addition, unmarked flame arresters installed in the venting piping (on board) installation may continue to be used until 31 December 2017.
2. This Agreement shall be valid for the carriage on the territories of those ADN Contracting Parties signatory to this Agreement, until the dates indicated under 1.

If it is revoked in whole or in part before that date by one of the signatories, it shall remain valid until the above mentioned date only for carriage on the territories of those ADN Contracting Parties signatory to this Agreement which have not revoked it.
