

UN-ECE – RIS Workshop

Update on the European Policy Developments in connection to River Information Services, DINA & DMN

Mr Marc Vanderhaegen; Ms Luca Farkas

European Commission, Directorate-General for Mobility and Transport
Unit B.3 Inland Waterway Transport and Ports

Geneva, 23 June 2016

Content of the presentation

- Digital Inland Waterway Area (DINA)
- RIS standards / RIS Directive

Digital Inland Waterway Area – DINA & DMN (1/2)

- Digital space for inland waterway transport, supporting new digital-driven innovations for IWT
- More efficient fleet management and navigation for barge operators
- Improved management and use of waterway infrastructure (traffic, lock operations)
- Improved visibility for users of inland waterway transport and intermodal hubs, allowing for more efficient processes
- Reduced administrative burden for compliance with safety requirements (e.g. dangerous goods, statistics, certification of vessels, manning and crew qualifications).

Digital Inland Waterway Area – DINA & DMN (2/2)

- DINA taskforce established
- First taskforce meeting - April 2016
- Second taskforce meeting – June 2016
- Third taskforce meeting – Nov 2016 (indicative)
- Results – beginning of 2017

Revision of the four RIS standards to be issued by the European Commission - Next steps (1/2)

- Further updates of the RIS standards by the Expert Groups during last week ('RIS week')
- Screening/redrafting by DG MOVE - ongoing
- Preparation for adoption process – ongoing
- Included in EC's work programme for 2016 (tbc)
- Opportunity to provide legal basis for RIS index through revision of RIS standards
