I. Proposal

Title of the Regulation, amend to read:

“Uniform provisions concerning the approval of front and rear position lamps, stop-lamps and end-outline marker lamps for motor vehicles (~~except motor cycles~~) and their trailers”

II. Justification

Supplement 11 to the 02 series of amendments to Regulation No. 7 introduced a new paragraph "0. SCOPE" that included vehicles of category "L". The corresponding change to the title of the Regulation, removing the exception of motor cycles, was not implemented.
