## Outcomes from CCC 4 and E&T 28

### Transmitted by the International Maritime Organization (IMO)

### Introduction

1. The Sub-Committee on Carriage of Cargoes and Containers (CCC) held its fourth session from 11 to 15 September 2017. The twenty-eighth session of the Editorial and Technical Group of the CCC Sub-Committee met from 18 to 22 September 2017 at IMO Headquarters in London. The reports of CCC 4 and E&T 28 are contained in documents CCC 4/12 and E&T 28/WP.1\*.

### Draft amendments (39-18) to the IMDG Code

2. E&T 28 finalized the draft amendments (39-18) to the IMDG Code, which has been circulated in accordance with SOLAS article VIII under the cover of Circular Letter No.3776, for consideration and subsequent adoption by MSC 99 (16 to 25 May 2018). In this context, the Group also requested the Secretariat, to inform UNSCETDG 52 of the following:

- (a) in the draft amendments to provision 5.3.1.1.2 regarding the addition of bulk containers: in subparagraph .2, not to insert "bulk containers" as they are not used for class 1 substances;
- (b) in the Appendix, glossary of terms, definition of "Initiation, means of", in .2, not to replace "significant risk" by "significant hazard";
- (c) in LP903, in the second paragraph, replace the first sentence to read "The following large packagings are authorized for a single battery and for a single item of equipment containing cells or batteries..."; and
- (d) draft amendments to provision 5.2.2.2.1.1.2 regarding the provisions for labels (i.e. 2mm), which could be harmonized with the other modes of transport regulations.
