

Highlights of the last sessions of WP.29

The World Forum (incl. AC.1, AC.2, AC.3 and AC.4), in March 2017 and June 2017:

- **considered** and **adopted** the amendment proposals submitted by GRRF (UN Regs. No. 13, 30, 54, 75, 106 and 109);
- **considered** and **adopted with modification** the amendment proposal to UN Regulation No. 79 - CSF & ACSF;
- **welcomed** the exchange of views and information between GRRF and WP.1 on relevant, common and transversal issues;
- **endorsed** the (re)establishment of an IWG on AEBS and requested that GRRF adopted the corresponding ToR;
- **decided** to establish a new Task Force on testing of automated/autonomous vehicles;
- **extended** the mandate of the IWG on MVC until 2019;
- **referred** WP.29-172-08 to GRRF and asked GRRF to develop a strategy / roadmap to address SAE Level 3 and 4 technologies
- **adopted** amendments to UN Rules No. 1 and 2 annexed to the 1997 Agreement (Periodic Technical Inspection). Discussions took place on ways to mainstream the work on PTI. Some proposals were made. The IWG on PTI will have more prominence. The GRs may have to focus also on PTI especially for new technologies.
