Proposals for amendments to the Regulations annexed to ADN: Other proposals

Correction to ADN 2019

Transmitted by the Government of Austria*, **

1. Paragraph 1.6.7.4.2 of the annexed Regulations sets out the transitional periods applicable to substances. Given that these transitional periods will expire on 31 December 2018, the paragraph should read as follows:

“1.6.7.4.2 (Deleted)”.

2. Since the deletion of a transitional provision at the end of its period of application is an editorial modification rather than a substantive one, this correction could still be reflected in ADN 2019.

* Distributed in German by the Central Commission for the Navigation of the Rhine under the symbol CCNR-ZKR/ADN/WP.15/AC.2/2018/30.

** In accordance with the programme of work of the Inland Transport Committee for 2018–2019 (ECE/TRANS/2018/21/Add.1, (9.3)).
