Application of Resolution No. 40 and ICC models

Transmitted by the Governments of Germany, Latvia, Romania and Slovakia

A. Germany

An ICC model issued by Germany, additionally to those already uploaded in the UNECE database, is given below.
B. Latvia

The Road Traffic Safety Directorate of the Republic of Latvia (CSDD) has transmitted the ICC model issued according to Resolution No. 40 for the UNECE database of ICC models:

In accordance with the Latvian legislation, ICC issued by the Latvian Yachting Union is valid until the expiry date indicated therein, but this is not a current certificate.

The official contact information has been changed as follows:
Road Traffic Safety Directorate (CSDD)
Sergeja Eizensteina str. 6
Riga, LV-1079
Phone: +371 67025750
e-mail: csdd@csdd.gov.lv

C. Romania

The ICC models issued by Romania are given below.
D. Slovakia

The Slovak Republic informs SC.3 that there are no changes in the national legislation regulating ICC.

The ICC model issued by Slovakia is given below.
