### I. Proposal

Paragraph 4.5., amend to read:

"4.5. ....

....

---

## Standard

## Optional (by choice of manufacturer)

## II. Justification

1. Paragraph 4.5. specifies labels that emphasise that the ECRS should not be used by children under 15 months. For consistency reasons, the same layout is chosen for both, the rearward/forward facing and the forward facing only label.
2. This proposal adapts the pictogram of the white face on the black background which is placed next to the age range. The face is adapted from a smiling face to a neutral face to handle the conflict between a smiling face and a forbidden sign below.
