Item 8 of the provisional agenda:

Accidents and risk management

Publication of the Inland TDG Risk Management Framework

Submitted by the European Union Agency for Railways (ERA)

Summary

Executive summary: Information concerning the publication of the Inland TDG Risk Management Framework

Reference documents: ECE/TRANS/WP.15/AC.1/150 (paragraphs 69 to 73).

Information

1. Following the information provided at the Joint Meeting Spring 2018 session (see para. 69 to 73 of ECE/TRANS/WP.15/AC.1/150), the European Union Agency for Railways would like to inform the delegates that the guides forming the Inland TDG Risk Management Framework, developed with the kind collaboration of Joint Meeting delegates, have been published on the following dedicated webpages:

https://www.era.europa.eu/activities/transport-dangerous-goods/inland-tdg_en

2. This information is also available on the European Commission - DG MOVE website

https://ec.europa.eu/transport/themes/dangerous_goods_en

https://ec.europa.eu/transport/themes/dangerous_good/risk_management_framework_en

3. In addition to the guides themselves, ERA dedicated webpages contain, in particular, information on the Expert Users and Development Group (EUDG) and further reference materials.

4. Any feedback concerning this framework should be sent to Inland-TDG@era.europa.eu for consideration within the continuous improvement process.
