

Working Party on Lighting and Light-Signalling

General information and WP.29 highlights

- **Participants/Address list**

A provisional address list has been prepared: please check your contact data (especially the email-address) and correct them, if necessary, then sign to confirm your presence.

If your name not listed, fill out one of the registration forms annexed to the file.

At the end of the session, we will circulate the updated address list by email to all participants.

- **Tax free petrol coupons**

For delegates of Contracting Parties: as usual, tax free petrol coupons are available

Please fill in the details requested and return them to the secretariat

Copies of passport and car registration papers are needed for this purpose

- **Next session**

- The **next session** will be held on **21-24 April 2020**

- The **deadline for the submission of official working documents** is **24 January 2020**

- For new graphics with notes, all text should be editable. **No text as an embedded image!**

Highlights of the recent session(s) of WP.29

June 2019 (178th)

- AC.2 reviewed the revised Programme of Work for WP.29 (ECE/TRANS/WP.29/2019/1/Rev.1) and welcomed the work on strategic planning by the Chairs of GRBP and GRPE
- WP.29 noted that, in November 2019, IWG IWVTA would submit amendment proposals to the original version and to the 01 series amendments to UN Regulation No. 0 as well as a proposal for the 02 series of amendments to UN Regulation No. 0. IWG also planned to submit a revised list of UN Regulations for IWVTA, Phase 2
- WP.29 noted that DETA was still being developed to include the Unique Identifier (UI) and the Declaration of Conformance (DoC) functionalities, together with the expected timeline for their implementation
- Discussion on signalling requirements for automated/autonomous vehicles. WP.1 to provide recommendations as well
- See report in ECE/TRANS/WP.29/1147
